## Monthly Rates for Accommodation

- These monthly rates are subject to annual increases. As of July 1, 2023, they are:  
**Basic:** \$1,986.82 **Semi-Private:** \$2,395.32 **Private:** \$2,838.49
- The LTCH resident is required to pay the applicable accommodation charges for their length of stay.
- If the resident has a substitute decision-maker (SDM) for property who is legally authorized to make financial decisions on their behalf, the SDM must fulfill this obligation on behalf of the resident.
- LTCH residents in basic accommodation with income less than the cost of the maximum basic accommodation and comfort allowance may be eligible to receive a reduction in their co-payment amount. This is known as *rate reduction* and available only to residents in basic accommodation.
- I understand that if I want semi-private or private accommodations, there are no subsidies and/or rate reductions available.
- By signing this form, I confirm that I have been informed about the different costs for basic, semi-private and private accommodations in the LTCHs I chose.
- If my SDM for property is making financial decisions for me at this time, I confirm that I have consulted with my SDM and they are aware of and in agreement with the information above.

## Applicant's Consent for Placement

- I consent that Home and Community Care Support Services Champlain, as the designated Placement Coordinator, can disclose my personal health information to the LTCH(s) of my choice.
- I acknowledge that I have been counselled about and understand the reasons why this information is needed. I understand that to support my LTCH placement, Home and Community Care Support Services Champlain will update and share this information with other Home and Community Care Support Services, health professionals involved in my care and the LTCH(s) I have chosen.
- I understand that I may withdraw my consent at any time.
